More than 40 years ago, Ohio Gratings was founded with one mission in mind, to provide accurately fabricated grating solutions on time with caring service. From answering our phones with people who are knowledgeable and care to shipping complete and securely packaged grating bundles, we are in the business to serve you. Providing exceptional customer service is what we are all about as "We Make It Right and Ship When Promised." We care, we listen, we serve.

Sincerely,

Senior Leadership Team
